

Cozy Rocker-Napper: A Must-Have Product for Newborns and Infants

Dorel Juvenile, a segment of Dorel Industries (TSX: DII.B, DII.A), and the world's largest juvenile products manufacturer, today announced the launch of Tiny Love's Cozy Rocker-Napper, a unique combination of luxury and versatility. This sleek addition to the popular line of Rocker-Nappers features a patented design and chic canopy, improving the quality of baby's sleep. Bring joy to baby with the automatic sit-to-sleep feature, which makes the transition from playtime to naptime utterly seamless. Simply pull the canopy over baby to bring him or her soothing comfort and calm.

Many parents find that their baby awakens while being carried to the crib to sleep. Now, with the Cozy Rocker-Napper, parents have a naptime solution at their fingertips, wherever they need it. This innovative Rocker-Napper gives babies the very best: unparalleled comfort, uninterrupted sleep and unmatched convenience.

With its calming vibrations, electronic toy and selection of nine musical tunes, the Cozy Rocker-Napper is a must-have product for newborns and infants alike. It features an easy, one hand switch operation and three modes of use: Naptime 180°, Rock & Play, and Seated Position. With soft head support, a fastener to hold baby's toy or pacifier, and the stylish canopy, baby is sure to enjoy a long-lasting nap and wake up rejuvenated.
